To

S. Balasundaram Iyer, Esq., B.A.,

Chief Secretary to the Govt. of Mysore,

B a n g a l o r e.

Sir,

I have the honour forward herewith a statement received from the Officer in Charge of the Provincial Grain Depot at Bangalore, regarding the verification of stock in the Provincial Depot on the 1st May 1919.

Except in regard to the Nellore rice, the shortages noticed are not excessive. In regard to the Nellore rice the stock was purchased from Mr. Vudayavarlu Chetty of Madras. The bags were apparently of short measure. I have received a similar complaint from the President of the Mysore Municipality also. The cause of excessive shortage in all these bags is under investigation and I shall submit a report to Government in due course.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller & Director.

This shortage is due to the difference in the Mysore & Blore measurements. A palle bag of 110 measures here only 97 sets.
